### President's Corner By Beth Rodriguez

Happy St. Patrick's Day and Happy Easter everyone! In addition to those holidays, please remember to "spring forward" on March 13<sup>th</sup> as Daylight Savings Time starts then. Spring begins March 20<sup>th</sup> and is also the time that everyone begins to plan outdoor projects for their property. As part of your planning process, please remember the Exterior Project Request form (see page 9). Submitting that early in your planning process will save you time and possibly save you money.

Students—we are coming to that time of year where students are looking for volunteer opportunities. Please remember that there is always opportunities to volunteer at Newington Community. Until we get a community manager contact me at [president@newingtoncommunity.org](mailto:president@newingtoncommunity.org). Once we have a community manager, you may contact him/her at [manager@newingtoncommunity.org](mailto:manager@newingtoncommunity.org). In addition to volunteering in you community, I have become aware of another opportunity for teens, age 13 to 18, at ECHO on Wednesday evenings. For more information, contact ECHO at [admin@echo-inc.org](mailto:admin@echo-inc.org).

As I am writing this we have completed the first round of interviews for the community manager position. I am hopeful that we will be able to announce a new community manager at the next Board meeting on Wednesday, March 2, 2016. If not, I will be giving an update on the matter. Hope to see you there.

A resident told the Board that his car was towed after his car registration expired. He informed the Board that he had moved back to his parents' house and had problems getting his car reregistered with the DMV. He was informed that the community parking rules provide for one calendar month grace period after the car registration before the car will be towed.

A resident felt that a home on her street is being leased and the house is not being taken care of very well.

A discussion about how the snow contractor handled the removal and some felt that the contractor could have done a better job; others thought that this was an unusual amount of snow. Discussion also on whether the snow contractor could remove snow from sidewalks.

Director Polansky made a motion to have the Board review the snow contract. President Rodriguez seconded the motion. Vote: 4 yes.

### Planning and Development, Lou Tobat
